

FAST. POWERFUL. CONVENIENT.

The most PRACTICAL and VERSATILE way to charge

The BOLT is the premier portable charger on the market. With a high-performance design featuring an integrated Apple® Lightning™ cable and integrated Micro-USB cable, staying charged on the go has never been easier and faster. Whether you or your recipient are checking emails, texting, taking photos, or conducting business, the BOLT will keep everyone connected anytime, anywhere.

Brand Power

We beautifully custom diamond-tip engrave your company logo, marketing message, or names to elegantly represent your brand. Provide portable power while enhancing brand awareness.
